Section V: Cancellation and Refund Policy

****Notice for All Potential Applicants:** In order to create a positive experience for everyone involved, the YPTT needs **a minimum of six participants** to proceed. If we do not meet this minimum within one week of the start date, we will refund your application deposit and any additional fees in full.

Cancellations Before the Training Begins:

If you cancel between 7 and 13 days before Day 1 of the training, you will be refunded the full amount minus a $150 administrative fee and the non-refundable $300 deposit. (A total of $450 will be withheld.)

If you cancel within 6 days before Day 1 of the training, you will be refunded the full amount minus a $200 administrative fee and the non-refundable $300 deposit. (A total of $500 will be withheld.)

Full Refund Before the Training Begins:

In the event of a serious illness, a death in your immediate family, or inclement weather before the training begins, you will be refunded for the amount you paid including the $300 deposit. In the event of an unforeseen cancellation on our end, you will also be granted a full refund including the $300 deposit.

Cancellations After the Training Begins:

In the event of a serious illness, a death in your immediate family, or inclement weather after the training begins, and you need to completely drop out of the training, you will have the option to transfer your remaining balance to the next Evolutionary Education® 200-Hour Teacher Training. If you are not able to attend the next training, or any future training, due to one of the three reasons above, you will be refunded a prorated amount based on the number of days you were in attendance, less the non-refundable $300 deposit.

No refunds will be given for any other reason, other than the three reasons above, once the course begins.

Transfers:

In the event that circumstances require you to drop out of the training, you may transfer your registration to the next Evolutionary Education® 200-Hour Teacher Training within one year of your initial training. If you need to transfer due to a serious illness, a death in your immediate family, or inclement weather, we will transfer your registration free of charge. If you decide to transfer for any reason other than the three listed above, you will be charged a transfer fee of $150. In the event that a training is not offered within one year of your initial transfer, the grace period will be extended to the next available training.
